Bosbouwproefstation.
In 1913 the Proefstation voor het Boschwezen was established. In 1928 the name was changed to Bosbouwproefstation; during the period 1942-45 the body was known as Ringyoo Sikenzyoo, and in 1945 the Indonesian form of name, Balai Penjelidikan Kehutanan, came into use. In 1956 the name was changed to Balai Besar Penjelidikan Kehutanan, and in 1957, to Lembaga Pusat Penjelidikan Kehutanan. This body was abolished in 1961; its subordinate research agencies continued to exist as separate institutes.
Works by this body are found under the name used at the time of publication.
